ABOUT FATHER'S OFFICE

If you take a turn down Little Lonsdale St, you will find a set of doors that invite you into a hidden bar, filled with old world glamour and decadence.

Father's Office is based on prohibition Americana in the 1920's, when the consumption of alcohol was disallowed. Speakeasies became the place to be and underground bootleg liquor (and the debauchery that follows) thrived.

We aim to give an authentic early-century Americana experience, with meticulous care paid to the small details. From our menu, to our decor, to our staff, we can ensure you'll never have an experience quite like the Father's Office experience.
